

## *[FAQS→Name Adjustments] How to check in with LATAM Airlines?*

Checking in with LATAM Airlines is designed to be both easy and flexible so that travelers can choose the method that best suits their schedule and travel style【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). LATAM offers several check-in options including **online check-in through its website, mobile app check-in, self-service kiosks at the airport, and traditional counter check-in for those who need help or have special requirements**【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). To check in online passengers simply visit the official LATAM Airlines website navigate to the check-in section and enter their reservation code along with their last name【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). Once the system locates the booking the passenger will be guided through seat selection baggage options and the opportunity to confirm personal details ahead of arrival at the airport【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). Online check-in is especially convenient because it allows passengers to print their boarding pass or download a digital version directly to their mobile device which can be used at security screening and boarding✈️1→866→\_→838^4934 (US) or 📞44-[ 808] →599→8702 (UK).

If travelers prefer to use their smartphone they can download the LATAM mobile app which replicates the online check-in process and also sends real-time flight updates such as gate changes boarding times and delay notices【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). After opening the app and entering booking information passengers will be prompted to complete check-in steps which include seat selection luggage preferences and confirmation of travel documents【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). Digital boarding passes generated in the app can be saved to mobile wallets making them easy to access at the airport without needing a printed copy【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). LATAM's app is particularly helpful for modern travelers because it consolidates check-in notifications flight status alerts and itinerary management all in one place【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK).

For passengers who prefer on-site check-in LATAM provides self-service kiosks at many airports which allow check-in and boarding pass printing in a few quick steps【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). These kiosks require the same booking reference and passenger name to start and then guide users through selecting seats printing boarding passes and adding baggage if needed【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). Self-service kiosks are ideal for passengers who want the efficiency of online check-in with the convenience of airport assistance if needed【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). Traditional counter check-in remains available for travelers who require special assistance are checking oversized luggage or prefer to speak with an agent【📞1-> 866 >838>4934】 (US) or 📞44-[ 808] →599→8702 (UK). Regardless of the method chosen LATAM check-in offers

the flexibility to prepare for your flight smoothly and comfortably✈️1→866→\_→838^^4934
