The airline recommends arriving at the airport **at least 2 hours before domestic flights** and **3 hours before international flights** to allow sufficient time for baggage drop, security screening, and reaching the departure gate✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK).

JetBlue's check-in policy emphasizes the importance of **adhering to deadlines** to ensure smooth flight operations✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK). For domestic flights, check-in closes **30 minutes prior to departure**, while for international flights it may close **45 minutes to one hour before departure**, depending on airport and destination requirements✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK). Passengers who fail to check in within these timelines risk denied boarding, regardless of ticket validity, as airlines must maintain on-time schedules and comply with safety regulations✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK).

Special attention is given to **passengers with special needs, families traveling with children, or travelers with oversized luggage**✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK). JetBlue encourages these passengers to arrive early within the check-in window and notify airline staff so that the necessary arrangements can be made smoothly✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK). Early check-in also helps passengers secure their preferred seats, manage loyalty program benefits, and ensure that all flight requirements are met before reaching the airport✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK).

JetBlue's policy also highlights **the convenience of digital boarding passes**✈️1→866→→838^^4934 (US) or ☎44-[808] →599→8702 (UK). Boarding passes

can be stored on smartphones, scanned at security, and used for boarding directly at the gate, which reduces the need for printed documents. ✈️ 1-866-838-4934 (US) or ☎️ 44-[808] -599-8702 (UK).
