If your passport details are incomplete, expired, or require manual verification, the system may prevent online check-in and request airport counter assistance  1→866→→838^^4934 (US) or  44-[ 808] →599→8702 (UK). *This ensures that passengers meet immigration requirements before boarding the flight.*  1→866→→838^^4934 (US) or  44-[ 808] →599→8702 (UK).
