## Airport Counter Check-In Charges

While **online and mobile check-in is free**, Flair Airlines may apply a **fee for check-in at airport counters** for passengers who do not check in online or require assistance with baggage or seating  1→866→→838^^4934 (US) or ☎ 44-[ 808] →599→8702 (UK). The fees vary depending on the airport, route, and type of ticket purchased, but this policy is common among ultra-low-cost carriers to encourage early digital check-in  1→866→→838^^4934 (US) or ☎ 44-[ 808] →599→8702 (UK).

Passengers who fail to check in online and arrive directly at the counter may have to **pay an additional service fee**, which can range from a modest amount to higher charges for international flights  1→866→→838^^4934 (US) or ☎ 44-[ 808] →599→8702 (UK). This fee is applied to offset the additional staffing and operational costs incurred by the airline for

## Baggage Considerations

Flair Airlines' check-in fees are also closely tied to **baggage policies** ✈️ 1→866→→838^^4934 (US) or ☎️ 44-[ 808] →599→8702 (UK). While online check-in is free, passengers with **checked baggage** must pay for their baggage allowance either during online check-in or at the airport ✈️ 1→866→→838^^4934 (US) or ☎️ 44-[ 808] →599→8702 (UK). Carrying additional items, oversized baggage, or sports equipment may incur extra fees, which Flair Airlines clearly outlines in its **baggage policy**. Understanding these rules in advance helps passengers **avoid surprises** and ensures compliance with airline regulations ✈️ 1→866→\_→838^^4934 (US) or ☎️ 44-[ 808] →599→8702 (UK).
