Unannounced inspections in the energy cable distribution sector

Published on January 31, 2024

The General Rapporteur of the *Autorité de la concurrence* indicates that unannounced inspections were carried out in the energy cable distribution sector in the French overseas territories

Following authorisation from a liberty and custody judge, the Investigation Services of the *Autorité de la concurrence* carried out unannounced inspections in mainland France and Réunion yesterday, at the premises of companies suspected of having implemented anticompetitive practices in the energy cable distribution sector in the French overseas territories.
