

AI, competition and personal data: further work between the CNIL and the Autorité de la concurrence

Published on March 20, 2025

On 5 March 2025, the French data protection authority (*Commission nationale de l'informatique et des libertés* – CNIL) and the *Autorité de la concurrence* discussed the links between data protection and competition in the development of artificial intelligence (AI), as part of their cooperation to support the new European rules and promote trusted AI.

PRESS RELEASE OF 20 MARCH 2025

AI, competition and personal data: further work between the CNIL and the Autorité de la concurrence
