Mergers below the control thresholds : Following the public consultation, the Autorité is continuing its work to propose a reform ensuring effective control

Published on April 10, 2025

Following the public consultation on the modalities for introducing a merger control framework for addressing below-threshold mergers likely to harm competition, the *Autorité de la concurrence* is continuing its work to propose a balanced reform that will ensure effective control and sufficient legal certainty for companies

PRESS RELEASE OF 10 APRIL 2025

Mergers below the control thresholds : Following the public consultation, the Autorité is continuing its work to propose a reform ensuring effective control
