The Autorité launches a public consultation on conversational agents

Published on January 29, 2026

Following the decision to start inquiries *ex officio* into the competitive functioning of the conversational agents sector, as announced on 9 January 2026, the *Autorité de la concurrence* is launching a public consultation, as part of the preparation of its opinion.

Stakeholders are invited to submit their responses to the public consultation by 6 March 2026 to the following address: consultation-agents-conversationnels@autoritedelaconcurrence.fr.
