Webinar: “AI, energy and the environment: The new competitive equation”

Published on March 31, 2026

Following its study on the competition issues surrounding the energy and environmental impact of artificial intelligence (AI), the *Autorité de la concurrence* is hosting an online webinar to explore the issues further.

Join us on Thursday, 16 April 2026 at 2:30 p.m.

The event will begin with an introduction from **Benoît Cœuré**, President of the *Autorité de la concurrence*, followed by two panel discussions featuring experts, regulators and AI industry leaders.

The discussions will be held in French.
