Inter-regulator cooperation – Biannual meeting of independent administrative and public authorities: Harnessing AI for regulation

Published on June 09, 2026

On 9 June 2026, the French electronic communication, post and print media distribution regulator (***Autorité de régulation des communications électroniques, des postes et de la distribution de la presse*** – ARCEP) hosted a meeting of independent administrative and public authorities (AAI and API). Organised twice a year, the meeting is a key platform for exchange, coordination and discussion on current regulatory issues, at both French and European level.
