The Autorité publishes its opinion on the tariffs for legal professions

Published on March 12, 2020

The *Autorité de la concurrence* publishes online the opinion submitted to the French government following the publication in the Official Journal of the French Republic of a decree on the method for setting the regulated tariffs for legal professions.

The tariffs for judicial auctioneers, commercial court registrars, court bailiffs, court-appointed administrators, court-appointed liquidators and notaries have been set by regulation according to this method.
