

The Autorité opens an in-depth examination regarding the takeover of Conforama France by the Mobilux Group (BUT)

Published on September 15, 2021

The Mobilux Group (hereinafter "Mobilux"), which controls the But group, notified the *Autorité de la concurrence* of the acquisition of sole control of 172 Conforama and Confo! stores after the European Commission's referral decision ([see press release of 29 June 2020](#)).

In view of the significant competition concerns raised by the transaction, the *Autorité de la concurrence* has decided to open an in-depth examination of this transaction.
