The Autorité opens an in-depth examination regarding the takeover of Conforama France by the Mobilux Group (BUT)

Published on September 15, 2021

The Mobilux Group (hereinafter "Mobilux"), which controls the But group, notified the *Autorité de la concurrence* of the acquisition of sole control of 172 Conforama and Confo! stores after the European Commission's referral decision (see press release of 29 June 2020).

In view of the significant competition concerns raised by the transaction, the *Autorité de la concurrence* has decided to open an in-depth examination of this transaction.
