

# Video surveillance manufacturer Mobotix and its wholesalers fined for anticompetitive agreements

Published on November 08, 2021

---

Following an investigation report sent by the French Directorate General for Competition Policy, Consumer Affairs and Fraud Control (DGCCRF), the *Autorité de la concurrence* has fined Mobotix and several of its wholesalers 1.4 million euros for agreeing on the selling prices of video surveillance devices and restricting the electronic sale of these products.
