Correction of the procedural notice on fines of 30 July 2021

Published on November 15, 2021

The 30 July 2021 procedural notice on fines is being updated to correct a substantive error in paragraph 34 of the document. Indeed, the reference made to this paragraph relating to the taking into account of the duration of the participation of each company should, to determine the amount applicable to each company for the value of sales, refer to paragraphs 27 to 30 and not in paragraphs 28 to 32 as it appears in the version published on 30 July.
