The Autorité de la concurrence contributes to the work of the G7 and publishes Compendium

Published on November 29, 2021

The Autorité de la concurrence participates in the work of the G7 of competition authorities chaired this year by the United Kingdom. In this context, it has taken part in the production of the "Compendium of Approaches to Improving Competition in Digital Markets" (hereinafter the "Compendium"), published today by its UK counterpart, the Competition and Markets Authority (CMA).
