

Related rights: the Autorité accepts Google's commitments

Published on June 21, 2022

Reminder of the previous steps

Understanding related rights

Legal framework

The **law of 24 July 2019** transposes into French law the **directive on copyright and related rights of 17 April 2019**.

It gives publishers and news agencies the right to allow or forbid the re-use of their content by digital platforms.

Concerned content

This includes:

- > article extracts
- > photographs
- > infographics
- > videos
- > etc.

displayed by digital platforms within their various services (i.e. Google Search, Google News and Discover).

Objectives

Setting the conditions for a **balanced negotiation** between publishers, news agencies and digital platforms, in order to **redefine the sharing of the value** and protect investments made.

PRESS RELEASE OF 21 JUNE 2022

[See the press release](#)

The Autorité accepts Google's commitments to create a framework for negotiating and sharing the information necessary for a transparent assessment of the remuneration of related rights and makes these commitments binding
