

Green light to the acquisition of Saint Mamet by the Intermarché Group

Published on July 21, 2022

On 15 June 2022, the Intermarché Group notified the *Autorité* de la concurrence of its plan to acquire Saint Mamet, a company specialising in fruit processing.

After careful investigation of the acquisition transaction, the *Autorité* has cleared the transaction unconditionally, noting that it is not likely to harm competition.
