Published on February 09, 2023

In the context of the examination of this takeover, which has not yet been formally notified, the Autorité de la concurrence conducts a consultation (or “market test”) until 3 March 2023 for experience providers whose offers appear in the Wonderbox and Smartbox gift vouchers (hotels, restaurants, beauty salons, leisure and adventure activities providers, etc.). Through this consultation, the Autorité aims to obtain information on the functioning of the markets concerned and to assess the potential impact of the takeover on these markets.
