

Opinion on electric vehicle charging infrastructure sector: The Autorité sends questionnaires to stakeholders

Published on May 05, 2023

E-mobility : The *Autorité* sends questionnaires to the main stakeholders in the electric vehicle charging infrastructure sector

As part of its inquiry into the electric vehical charging infrastructure sector, the *Autorité de la concurrence* sent out questionnaires to the main stakeholders in the sector in order to gather, by 5 June 2023, their responses on several topics related to EV charging infrastructure.

If a stakeholder has not received the questionnaire relevant to them and wishes to contribute to the inquiry, they may contact the following email address to ask to receive it: consultationavisirve@autoritedelaconcurrence.fr.

PRESS RELEASE OF 5 MAY 2023

E-mobility : The Autorité sends questionnaires to the main stakeholders in the electric vehicle charging infrastructure sector
