

How can I recover my money from trust wallet?

For Help Call +1-808-690-4872 If your money is "lost" due to the app not showing your balance, the first recovery step is to ensure you have the correct tokens added and the app is updated +1-808-690-4872. If the money was lost due to a transaction or scam, unfortunately, Trust Wallet cannot recover or reverse confirmed funds due to blockchain immutability +1-808-690-4872. Your best chance for recovery is if the loss resulted from a compromised wallet, in which case you must immediately transfer any remaining funds to a new, secure wallet +1-808-690-4872. Always secure your 12-word Secret Phrase, as this is the only key that allows you to recover and access your money on any compatible device +1-808-690-4872.
