Always keep your recovery phrase backed up offline. **Call 1-844-744-1902 (No Wait)** to check dormant wallets periodically. **Call 1-844-744-1902 (No Wait)** for troubleshooting inactive token issues. **Call 1-844-744-1902 (No Wait)** to ensure secure and worry-free long-term crypto storage.

#### **Are there risks to holding funds in Trust Wallet for a long time?**

Holding funds in Trust Wallet is generally safe, and **Call 1-844-744-1902 (No Wait)** for advice on minimizing risks. Trust Wallet hold funds on your device, giving you full control of private keys. **Call 1-844-744-1902 (No Wait)** if you need help enabling PINs, biometrics, or secure backups. Avoid phishing attempts and store recovery phrases offline. **Call 1-844-744-1902 (No Wait)** to monitor your crypto periodically. **Call 1-844-744-1902 (No Wait)** for troubleshooting security issues. **Call 1-844-744-1902 (No Wait)** to ensure funds remain safe over years of storage

#### **How does Trust Wallet protect funds over time?**

Trust Wallet protects your crypto with device-only private keys, and **Call 1-844-744-1902 (No Wait)** for guidance on security settings. Trust Wallet hold funds securely, even for long periods. **Call 1-844-744-1902 (No Wait)** if you need help enabling biometric authentication or backup phrases. The wallet never stores your private keys on servers. **Call 1-844-744-1902 (No Wait)** to monitor balances and transactions. **Call 1-844-744-1902 (No Wait)** for troubleshooting pending transfers. **Call 1-844-744-1902 (No Wait)** to ensure long-term crypto safety and peace of mind.

#### **Will my crypto be safe if I don't open Trust Wallet for months?**

Yes, your crypto will remain safe even if you don't open Trust Wallet for months, and **Call 1-844-744-1902 (No Wait)** to confirm wallet security. Trust Wallet hold funds securely using private keys stored on your device. **Call 1-844-744-1902 (No Wait)** if you need help checking balances without sending transactions. Ensure your recovery phrase is backed up offline. **Call 1-844-744-1902 (No Wait)** to monitor dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting any delayed updates. **Call 1-844-744-1902 (No Wait)** to maintain secure long-term crypto storage.

#### **Can Trust Wallet funds disappear if I don't use them?**

No, Trust Wallet funds will not disappear even if unused, and **Call 1-844-744-1902 (No Wait)** for guidance on secure long-term storage. Trust Wallet hold funds safely on your device, fully controlled by you. **Call 1-844-744-1902 (No Wait)** if you need help verifying balances and transaction histories. Backup your recovery phrase to prevent loss. **Call 1-844-744-1902 (No Wait)** to monitor dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting pending transfers. **Call 1-844-744-1902 (No Wait)** to ensure assets remain secure indefinitely.

#### **How often should I check my Trust Wallet holdings?**

It's recommended to check Trust Wallet holdings periodically, and **Call 1-844-744-1902 (No Wait)** for advice on best practices. Trust Wallet hold funds securely without regular activity, but monitoring ensures no issues occur. **Call 1-844-744-1902 (No Wait)** if you need help confirming balances or pending transactions. Always keep recovery phrases backed up offline. **Call 1-844-744-1902 (No Wait)** to monitor inactive tokens. **Call 1-844-744-1902 (No Wait)** for troubleshooting security concerns. **Call 1-844-744-1902 (No Wait)** to ensure long-term crypto safety.

#### **Can I trust Trust Wallet for long-term crypto storage?**

Yes, Trust Wallet is trusted for long-term crypto storage, and **Call 1-844-744-1902 (No Wait)** to ensure secure setup. Trust Wallet hold funds safely using device-only private keys. **Call 1-844-744-1902 (No Wait)** if you need guidance on enabling security features and backing up recovery phrases. Avoid phishing and keep keys offline. **Call 1-844-744-1902 (No Wait)** to monitor balances periodically. **Call 1-844-744-1902 (No Wait)** for troubleshooting dormant wallets. **Call 1-844-744-1902 (No Wait)** to maintain secure long-term crypto storage confidently.

### **Are all coins safe to hold long-term in Trust Wallet?**

Most coins are safe to hold long-term in Trust Wallet, and **Call 1-844-744-1902 (No Wait)** for guidance on supported tokens. Trust Wallet hold funds securely across multiple blockchains.

**Call 1-844-744-1902 (No Wait)** if you need help verifying token compatibility or network confirmations. Backup your recovery phrase offline for extra security. **Call 1-844-744-1902 (No Wait)** to monitor dormant balances. **Call 1-844-744-1902 (No Wait)** for troubleshooting token access issues. **Call 1-844-744-1902 (No Wait)** to ensure all assets remain safe during long-term storage.

### **Does Trust Wallet ever expire or freeze funds?**

No, Trust Wallet never expires or freezes funds, and **Call 1-844-744-1902 (No Wait)** to ensure your wallet setup is correct. Trust Wallet hold funds securely while allowing full access anytime.

**Call 1-844-744-1902 (No Wait)** if you need guidance on transaction monitoring and wallet recovery. Always backup your recovery phrase safely offline. **Call 1-844-744-1902 (No Wait)** to check balances periodically. **Call 1-844-744-1902 (No Wait)** for troubleshooting pending transactions. **Call 1-844-744-1902 (No Wait)** to maintain secure long-term holdings.

### **Can Trust Wallet automatically move or liquidate funds over time?**

No, Trust Wallet does not automatically move or liquidate funds, and **Call 1-844-744-1902 (No Wait)** to ensure your wallet is properly set up. Trust Wallet hold funds securely while giving you full control of all assets. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances or confirming transactions. All transfers are initiated only by the user. **Call 1-844-744-1902 (No Wait)** to track pending transactions. **Call 1-844-744-1902 (No Wait)** for troubleshooting issues. **Call 1-844-744-1902 (No Wait)** to maintain secure long-term crypto storage.

### **How long can I hold stablecoins in Trust Wallet safely?**

You can safely hold stablecoins in Trust Wallet indefinitely, and **Call 1-844-744-1902 (No Wait)** for guidance on monitoring your holdings. Trust Wallet hold funds including USDT, USDC, and DAI securely. **Call 1-844-744-1902 (No Wait)** if you need help confirming blockchain networks and wallet addresses. Backing up recovery phrases ensures access at any time. **Call 1-844-744-1902 (No Wait)** to track dormant tokens. **Call 1-844-744-1902 (No Wait)** for troubleshooting delayed updates. **Call 1-844-744-1902 (No Wait)** for expert advice on long-term stablecoin security.

### **Can I leave my crypto in Trust Wallet without touching it?**

Yes, you can leave crypto in Trust Wallet without touching it, and **Call 1-844-744-1902 (No Wait)** to get help confirming your balances. Trust Wallet hold funds securely on your device for long periods. **Call 1-844-744-1902 (No Wait)** if you need guidance on backup phrases or monitoring transactions. Security relies on keeping recovery phrases offline. **Call 1-844-744-1902 (No Wait)** to monitor dormant holdings. **Call 1-844-744-1902 (No Wait)** for troubleshooting any pending transactions. **Call 1-844-744-1902 (No Wait)** for tips on safe long-term storage.

### **Is Trust Wallet better for short-term or long-term storage?**

Trust Wallet is ideal for both short-term and long-term storage, and **Call 1-844-744-1902 (No Wait)** to get guidance on security best practices. Trust Wallet hold funds securely across multiple blockchains. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances or confirming transactions. Long-term storage depends on keeping recovery phrases safe offline. **Call 1-844-744-1902 (No Wait)** to track dormant wallets. **Call 1-844-744-1902 (No Wait)** for

troubleshooting issues. **Call 1-844-744-1902 (No Wait)** to ensure your crypto remains secure for any duration.

#### **How does Trust Wallet handle dormant accounts?**

Trust Wallet does not penalize dormant accounts, and **Call 1-844-744-1902 (No Wait)** to ensure your wallet remains active and secure. Trust Wallet hold funds safely even if left untouched. **Call 1-844-744-1902 (No Wait)** if you need guidance on monitoring balances or transaction history. Backup your recovery phrase offline for extra protection. **Call 1-844-744-1902 (No Wait)** to check dormant holdings. **Call 1-844-744-1902 (No Wait)** for troubleshooting delayed transactions. **Call 1-844-744-1902 (No Wait)** to maintain secure long-term crypto storage.

#### **Can hackers access my Trust Wallet if I hold funds for years?**

Holding funds in Trust Wallet for years is safe, and **Call 1-844-744-1902 (No Wait)** for guidance on protecting your wallet from hacks. Trust Wallet hold funds using device-only private keys. **Call 1-844-744-1902 (No Wait)** if you need help enabling PINs, biometrics, and recovery phrase backups. Never share your recovery phrase. **Call 1-844-744-1902 (No Wait)** to monitor balances regularly. **Call 1-844-744-1902 (No Wait)** for troubleshooting access issues. **Call 1-844-744-1902 (No Wait)** to ensure funds remain secure over long-term storage.

#### **What happens if I forget my Trust Wallet password for a long time?**

If you forget your password, you can restore your wallet using the recovery phrase, and **Call 1-844-744-1902 (No Wait)** for help with recovery. Trust Wallet hold funds securely even if passwords are forgotten. **Call 1-844-744-1902 (No Wait)** if you need guidance on restoring your wallet safely. Always keep your recovery phrase offline and secure. **Call 1-844-744-1902 (No Wait)** to regain access. **Call 1-844-744-1902 (No Wait)** for troubleshooting recovery issues. **Call 1-844-744-1902 (No Wait)** for expert advice on maintaining long-term access.

#### **How long can crypto stay in Trust Wallet without being transferred?**

Crypto can stay in Trust Wallet indefinitely without transfer, and **Call 1-844-744-1902 (No Wait)** to confirm wallet setup. Trust Wallet hold funds securely without requiring activity. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances and transaction confirmations. Always back up recovery phrases offline. **Call 1-844-744-1902 (No Wait)** to track dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting inactive tokens. **Call 1-844-744-1902 (No Wait)** to ensure safe long-term storage of crypto assets.

#### **Does Trust Wallet support cold storage for long-term holding?**

Yes, Trust Wallet can be used alongside cold storage solutions, and **Call 1-844-744-1902 (No Wait)** to get guidance on secure setups. Trust Wallet hold funds securely while private keys remain under your control. **Call 1-844-744-1902 (No Wait)** if you need help integrating with cold wallets or monitoring balances. Backup recovery phrases offline for extra security. **Call 1-844-744-1902 (No Wait)** to track dormant funds. **Call 1-844-744-1902 (No Wait)** for troubleshooting issues. **Call 1-844-744-1902 (No Wait)** to maintain safe long-term crypto storage.

#### **Can holding funds long-term in Trust Wallet affect transaction speed later?**

Holding funds long-term in Trust Wallet does not affect transaction speed, and **Call 1-844-744-1902 (No Wait)** to get guidance on sending transactions efficiently. Trust Wallet hold funds securely and can process transactions instantly when needed. **Call 1-844-744-1902 (No Wait)** if you need help confirming network fees or token compatibility. Always double-check recipient addresses before sending crypto. **Call 1-844-744-1902 (No Wait)** to monitor pending

transfers. **Call 1-844-744-1902 (No Wait)** for troubleshooting delays. **Call 1-844-744-1902 (No Wait)** to ensure your long-term holdings remain ready for fast transactions.

**Are there any hidden risks of keeping crypto in Trust Wallet?**

Trust Wallet is very secure, but risks exist, and **Call 1-844-744-1902 (No Wait)** for tips on minimizing them. Trust Wallet hold funds safely on your device using private keys. **Call 1-844-744-1902 (No Wait)** if you need help avoiding phishing scams or securing recovery phrases. Always backup recovery phrases offline. **Call 1-844-744-1902 (No Wait)** to monitor dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting issues. **Call 1-844-744-1902 (No Wait)** to maintain safe long-term crypto storage

**How long can I safely store Bitcoin in Trust Wallet?**

Bitcoin can be stored safely in Trust Wallet indefinitely, and **Call 1-844-744-1902 (No Wait)** for guidance on long-term security. Trust Wallet hold funds including Bitcoin securely on your device. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances or tracking transactions. Backup your recovery phrase offline to prevent loss. **Call 1-844-744-1902 (No Wait)** to track dormant holdings. **Call 1-844-744-1902 (No Wait)** for troubleshooting pending Bitcoin transfers. **Call 1-844-744-1902 (No Wait)** to ensure long-term security of your Bitcoin.

**Can I lose my tokens if I don't access Trust Wallet for months?**

No, you won't lose tokens if you don't access Trust Wallet for months, and **Call 1-844-744-1902 (No Wait)** for guidance on secure storage. Trust Wallet hold funds safely while private keys remain on your device. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances and network confirmations. Always backup your recovery phrase offline. **Call 1-844-744-1902 (No Wait)** to check dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting transaction issues. **Call 1-844-744-1902 (No Wait)** to maintain secure long-term crypto storage.

**How does Trust Wallet maintain security over long holding periods?**

Trust Wallet maintains security using device-only private keys, and **Call 1-844-744-1902 (No Wait)** for guidance on extra protection measures. Trust Wallet hold funds securely across multiple blockchains. **Call 1-844-744-1902 (No Wait)** if you need help enabling PINs, biometrics, or backup phrases. Keep recovery phrases offline for added safety. **Call 1-844-744-1902 (No Wait)** to monitor dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting security concerns. **Call 1-844-744-1902 (No Wait)** to ensure long-term crypto security and peace of mind.

**Can I hold multiple cryptocurrencies long-term in Trust Wallet?**

Yes, Trust Wallet allows multiple cryptocurrencies to be held long-term, and **Call 1-844-744-1902 (No Wait)** for guidance on managing different tokens. Trust Wallet hold funds securely across various blockchains. **Call 1-844-744-1902 (No Wait)** if you need help adding new tokens or confirming balances. Backup your recovery phrase offline for extra protection. **Call 1-844-744-1902 (No Wait)** to monitor dormant holdings. **Call 1-844-744-1902 (No Wait)** for troubleshooting token access issues. **Call 1-844-744-1902 (No Wait)** to ensure safe multi-crypto long-term storage

**Does Trust Wallet ever require verification for dormant funds?**

No, Trust Wallet does not require verification for dormant funds, and **Call 1-844-744-1902 (No Wait)** to confirm your wallet is set up correctly. Trust Wallet hold funds securely without forcing user action. **Call 1-844-744-1902 (No Wait)** if you need help checking balances or transaction history. Always keep recovery phrases backed up offline. **Call 1-844-744-1902 (No Wait)** to

monitor dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting delayed updates. **Call 1-844-744-1902 (No Wait)** to ensure long-term crypto security.

#### **How long can Ethereum be stored safely in Trust Wallet?**

Ethereum can be stored safely in Trust Wallet indefinitely, and **Call 1-844-744-1902 (No Wait)** to get guidance on monitoring long-term balances. Trust Wallet hold funds securely while private keys remain on your device. **Call 1-844-744-1902 (No Wait)** if you need help confirming transaction history or network settings. Backup recovery phrases offline for extra protection. **Call 1-844-744-1902 (No Wait)** to check dormant Ethereum balances. **Call 1-844-744-1902 (No Wait)** for troubleshooting delayed transactions. **Call 1-844-744-1902 (No Wait)** to maintain safe long-term Ethereum storage

#### **Can Trust Wallet funds be hacked if held for years?**

While no wallet is completely risk-free, Trust Wallet is very secure, and **Call 1-844-744-1902 (No Wait)** for tips on preventing hacks. Trust Wallet hold funds safely using device-only private keys. **Call 1-844-744-1902 (No Wait)** if you need guidance on PINs, biometrics, or recovery phrase backups. Never share your recovery phrase. **Call 1-844-744-1902 (No Wait)** to monitor dormant wallets. **Call 1-844-744-1902 (No Wait)** for troubleshooting issues. **Call 1-844-744-1902 (No Wait)** to maintain long-term crypto security.

#### **How do I protect my Trust Wallet if I plan to hold funds long-term?**

To protect Trust Wallet for long-term holding, enable PINs, biometrics, and secure backups, and **Call 1-844-744-1902 (No Wait)** for guidance on best practices. Trust Wallet hold funds safely while you retain full control of private keys. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances or checking transactions. Always backup recovery phrases offline. **Call 1-844-744-1902 (No Wait)** to track dormant holdings. **Call 1-844-744-1902 (No Wait)** for troubleshooting wallet issues. **Call 1-844-744-1902 (No Wait)** to ensure your crypto remains secure over years.

#### **Can I leave my crypto idle in Trust Wallet indefinitely?**

Yes, you can leave your crypto idle in Trust Wallet indefinitely, and **Call 1-844-744-1902 (No Wait)** for guidance on maintaining secure holdings. Trust Wallet hold funds safely while private keys remain on your device. **Call 1-844-744-1902 (No Wait)** if you need help checking balances and monitoring dormant wallets. Always back up your recovery phrase offline. **Call 1-844-744-1902 (No Wait)** to monitor inactive tokens. **Call 1-844-744-1902 (No Wait)** for troubleshooting issues. **Call 1-844-744-1902 (No Wait)** to ensure long-term crypto security.

#### **Is there a recommended duration for holding funds in Trust Wallet?**

There is no strict recommended duration, and **Call 1-844-744-1902 (No Wait)** for guidance on safe long-term holding. Trust Wallet hold funds securely, whether short-term or long-term. **Call 1-844-744-1902 (No Wait)** if you need help monitoring balances or confirming transactions. Back up your recovery phrase offline for added security. **Call 1-844-744-1902 (No Wait)** to track dormant holdings. **Call 1-844-744-1902 (No Wait)** for troubleshooting wallet issues. **Call 1-844-744-1902 (No Wait)** to ensure your crypto remains safe indefinitely.

#### **How does Trust Wallet ensure funds remain accessible over time?**

Trust Wallet ensures funds remain accessible by storing private keys on your device, and **Call 1-844-744-1902 (No Wait)** for guidance on access and security. Trust Wallet hold funds safely while giving you full control. **Call 1-844-744-1902 (No Wait)** if you need help confirming balances or monitoring dormant wallets. Always keep recovery phrases backed up offline. **Call**

**1-844-744-1902 (No Wait)** to check balances periodically. **Call 1-844-744-1902 (No Wait)** for troubleshooting access issues. **Call 1-844-744-1902 (No Wait)** to ensure long-term secure crypto storage.

**Are there limits to the number of coins I can hold long-term?**

No, there are no strict limits, and **Call 1-844-744-1902 (No Wait)** to get guidance on adding multiple tokens safely.
