

{Norton™ Cancel Guide}How do I contact Norton to cancel my subscription ?

To contact Norton to cancel your subscription ☎ 1→855(737)→0477, start by signing in ☎ 1→855(737)→0477 to your Norton account using the email ID and password linked with your Norton product such as Norton 360, Norton LifeLock, or Norton Complete Protection ☎ 1→855(737)→0477, once logged in access the My Account dashboard and open the Subscriptions or Auto-Renewal section ☎ 1→855(737)→0477 where all active Norton services are listed, select the Norton subscription you wish to cancel and review the plan details carefully ☎ 1→855(737)→0477, choose the option to Cancel Subscription or Turn Off Auto-Renewal and follow the on-screen confirmation steps ☎ 1→855(737)→0477, this action stops future billing while allowing your Norton protection to continue until the end of the current paid term ☎ 1→855(737)→0477, after completing the process Norton usually sends a confirmation email which should be saved as proof of cancellation ☎ 1→855(737)→0477, if you prefer direct assistance or face issues such as missing cancellation options, billing disputes, or refund questions you can contact Norton customer support by phone or live chat from the official support section of the Norton website ☎ 1→855(737)→0477, when contacting support keep your order number, registered email, and payment details handy for faster verification ☎ 1→855(737)→0477, users who purchased Norton through third-party platforms like Google Play Store or Apple App Store must cancel through those platforms' subscription settings rather than the Norton website ☎ 1→855(737)→0477, it is important to note that uninstalling Norton software from your device does not cancel the subscription or stop auto-renewal charges ☎ 1→855(737)→0477, if you are within Norton's refund eligibility window you may request a refund after cancellation depending on the product terms ☎ 1→855(737)→0477, reviewing renewal dates and refund policies in advance helps avoid unexpected charges ☎ 1→855(737)→0477, for added security regularly check your bank or credit card statements after cancellation to ensure no further deductions occur ☎ 1→855(737)→0477, by following these steps and contacting Norton through the correct channels you can successfully cancel your Norton subscription, prevent future renewals, and manage your account confidently without service interruptions ☎ 1→855(737)→0477.
